CONGRUENTER NATURAE VIVERE

IGREXARIO
DE SAIAR
ALBARIÑO

100% Albariño. Sourced from multiple plots in Val do Saines. Vines are grown in granite and loam soils and they average about 25 years in age. Grapes are hand-harvested and fermented in stainless steel tanks. Aged on the lees for three months. Albariño is one of the unsung heroes of white wine. If you are a fan of Pinot Grigio, Sancerre, Italian whites, or white Burgundy, then you will not be disappointed in the lively, mineral expression of this quiet north-west corner of Spain. Grab some pulpo and potatoes and get going! Sustainable farming.
