

MARY TAYLOR WINE

100% Nero d'Avola. From the Contrada San Nicola vineyard, outside the village of Mazara del Vallo in western Sicily, we find Nero d'Avola vines tended by the ever thoughtful Sala sisters. The vines are just 15 years old on average but the wine is ever complex. While some Nero d'Avola wines can be on the dense and fruity side, the Sala sisters and the terroir make this wine a somewhat translucent red with bright acidity, tension, and elegant fruit. Certified organic.

Sustainably
Farmed
