

Val de Mer

CHABLIS

APPELLATION CHABLIS CONTRÔLÉE

Val de Mer is Patrick Piuze's second winery, co-owned with Moutard-Diligent. The winemaking is very similar to his own, eponymous line: both are hand-harvested, both are spontaneously fermented, and the élevage is the same.

Val de Mer Chablis comes from three parcels—Des Couverts (village of Chablis), Prehy (near Courgis), and Lignorelles—and is fermented and aged in stainless steel. Crisp, mineral, bright, and full of lemon and green apple, just the way it should be.
